

Ethics & Trust in Finance

10th Global Prize

for a Sustainable Future

2024-2025

Call for Submissions

The mission of the Ethics & Trust in Finance Global Prize is to promote greater awareness among young people (under 35) throughout the world of the importance of strengthening ethics and integrity in the finance sector.

We believe that ethics and trust have a pivotal role to play in finance as drivers of positive change in an uncertain world. We look forward to exploring bright new ideas from a brilliant young people, professionals as well as academics.

Who?

Professionals and Academics
under 35 years old

What?
